Bosca welcomes you all to the cellars!

We need to protect you and ourselves from covid-19 spread, therefore we have adopted some precautionary measures.

We're asking you to comply with them.

-  At the entrance there will be a temperature and Green Pass check:
 - Only those who own a “Super” Green Pass will be allowed to the cellars.
 - Access is not allowed to the visitors who show flu-like symptoms as well as high body temperature.
-  All visitors must wear face coverings before, throughout and after the visit.
-  We ask you to always maintain a 1-meter interpersonal distancing.
-  After the wine-tasting, you can keep the glass as a gift.
